1st FOKUS FUSECO Forum 2010
on Future Seamless Communication
October 14-15, 2010, Fraunhofer Institute FOKUS, Berlin, Germany

This new FOKUS FUSECO Forum is continuing the famous FOKUS IMS Workshop series (www.fokus.fraunhofer.de/go/ims-event) by concentrating on a key enabling technology for future communication and hence devoted to "Business and Technical Challenges of Seamless Service Provision in Converging Next Generation Fixed and Mobile Networks". Register at: www.fuseco-forum.org/registration

Please note that the FOKUS FUSECO Forum is part of a bigger event series, which we refer to as "Berlin Communications Week". Attendees of the FOKUS FUSECO Forum should be aware of the fact that prior to the FOKUS FUSECO Forum two additional related events are performed in close proximity in Berlin:

ICIN 2010
Weaving Applications into the Network Fabric
October 11-14, 2010, Berlin, Germany
www.icin.biz

FOKUS FUSECO Forum attendees benefit from a 15% discount on the registration fee there.

3rd Meeting of KuVS NG SDP Fachgespräch
on NG SDPs: "Towards SDPs for the Future Internet"
October 14, 2010, Deutsche Telekom Laboratories, Berlin, Germany
www.kuvs-ngsdp.org/3rd_meeting
Registration is free of charge.
